GirlZone and BoyZone are ministries of Devonport Church of Christ and our program is built on Christian principles. We aim to create a welcoming atmosphere, where kids in Grades 3-5 can try new things, make friends, burn off some energy and have fun. Everyone in Grade 3-5 welcome. This program is also available on our website at devonportcoc.com.au/kids We will ask you to complete a 2019 Children and Youth Information Form about your child so we can provide responsible care for them while they are at BZ or GZ.
