POOL PARTY – combined event BZ and GZ @ Ulverstone Pool

13 Dec

POOL PARTY – combined event GZ and BZ @ Ulverstone Pool

Bring your swimmers and towel, and get ready for some pool party fun! 6.30 – 8.30 pm, **cost \$3**, drop off and pick up at Ulverstone Pool, East Ulverstone. *Our pool hire time starts at 7 pm, so we will be playing some games outside to begin the night. If you have other kids to drop to Ignite Youth in Devonport, you can do that first.*

BoyZone and GirlZone are ministries of Devonport Church of Christ. See the reverse page for more details about BoyZone or GirlZone, or contact BZ: Dominic 0408 950 851 / GZ: Simona 0437 286 386 or check out our website www.devonportcoc.com.au

BoyZone and **GirlZone** are usually for Grade 3-5's, but in Term 4, we transition Grade 5's up to our junior youth program, and invite Grade 2's to come along to **GirlZone** and **BoyZone**, ready for next year.

BZ and GZ run on alternate Friday fortnights during school terms, but not on long weekends, and occasionally we combine for some super-loud fun! We aim to create a positive, inclusive atmosphere where kids can try new things, burn off some energy and have fun.

Pick up and drop off is at Devonport Church of Christ, corner of William and Steele St, unless otherwise indicated on the program. You can also find the program on our website www.devonportcoc.com.au under the *connect* tab, then click on *kids*.

Every time your child comes along to BZ or GZ, an adult needs to sign them in on arrival and sign them out when they get picked up. We also ask that you complete a Children and Youth Information Form (available on our website or when your child comes along) every year, so we can provide responsible care for your child. At **BoyZone** and **GirlZone**, our leaders all have WWVP clearance.

We look forward to seeing your kids at **GirlZone** and **BoyZone**! Bring a friend, everyone is welcome!

Simona Piscioneri, Kids Ministry Leader
Devonport Church of Christ.

BOYZONE
For boys in Grades 3-5

GIRLZONE
For girls in Grades 3-5
