Thanks for joining us on this journey through Divine Direction as a Church. This small group material will contain some time together to start then a video to watch followed by some more questions. The video will also ask you to pause and discuss at various points. The videos are available on USB drives from Church or this weeks video can be found with the following Youtube address:

Please note this video is private and cannot be searched for.

Please do not rush through the discussions with the video, the questions provided in this small group guide do not all have to be done! Please adapt to your group and feel free to go where the discussion leads if needed and helpful.

If you have any questions please don't hesitate to ask!

INTO THE BIBLE

Key Scriptures: *1 Thessalonians 4:3; Proverbs 16:2; Galatians 1:10; Colossians 3:17*

Question #3 Think about what you're asking God for. Then, answer these questions: What do I really want, why do I want it, and will this cause me to become more like Christ?

Question #4 In your decisions, are you more focused on choosing the right do, or becoming the right who? Why?

Question #5 Read Proverbs 16:2. Share about a time you had the right motives and a time you had the wrong motives. How can you tell the difference?

Question #6 Talk about why you make your decisions. Are you more often aiming to validate yourself or give glory to God? How did you come to your answer?

PUTTING IT INTO PRACTICE:

Question #7 How can you practically try to make sure that you focus on the WHO before DO (Character over action) and the WHY before WHAT (Motive over action)?

Question #8 What's the next step God wants you to take? When will you take it? Who will hold you to it?

Start praying. Be bold, and pray with power!

God, we've probably been too focused on finding out what You want us to do, only to miss why You want us to do it—and who You want us to become. Will You change our perspective this week and give us the power to see how we can become the person You made us to be? Amen.
