Question #4 Why did God send Philip to speak to the Ethiopian? How can that be an encouragement to us?

Question #5 God prepares people's hearts and helps them to begin turning red like an apple, what is our role in this and what do we need to do?

DIGGING DEEPER:

Question #7 The final point that Blake shared was about the fact that the message never changes. Do you agree that the message shared by Philip is the same one we are called to share today?

Question #8 We are called to tell people about Jesus, and Phillip did it using the Scriptures, how well do you feel you can do this? What can you do about that?

Question #9 One of the points that Blake made was Go to the person, is there a person that God is calling you to go to this week?

Take the time to pray for the names from the first week of people you wish to see saved. Share highlights of things that may have shifted in their lives. Bring them before God and ask Holy Spirit to be working in their hearts preparing them. Ask for opportunities to take steps with them towards Jesus and the courage to act upon those opportunities!

This challenge will be available every week of this series. We invite you to take this seriously and bring these names before God knowing that He can do amazing things!
