Take the time to pray for the names from the first week of people you wish to see saved. Share highlights of things that may have shifted in their lives. Bring them before God and ask Holy Spirit to be working in their hearts preparing them. Ask for opportunities to take steps with them towards Jesus and the courage to act upon those opportunities!

This challenge will be available every week of this series. We invite you to take this seriously and bring these names before God knowing that He can do amazing things!
