### **DIGGING DEEPER:**

**Question #7** What is the most encouraging part of this message for you? Why?

**Question #8** What might it look like to start with where people are at today? What are some examples or opportunities that you could build on to share the Gospel?

**Question #9** How can you be prepared to put this into practice?

**Please take the time to pray for Reach Weekend that will be happening Saturday night and Sunday. Take some time to pray as a group for the people coming!**

**Take the time to pray for the names from the first week of people you wish to see saved. Share highlights of things that may have shifted in their lives. Bring them before God and ask Holy Spirit to be working in their hearts preparing them. Ask for opportunities to take steps with them towards Jesus and the courage to act upon those opportunities!**

**This challenge will be available every week of this series. We invite you to take this seriously and bring these names before God knowing that He can do amazing things!**
